| 2. Hazards Identification            |   |  |  |
| Emergency overview                   | Harmful by inhalation and in contact with skin. Contact with skin and eyes may result in irritation.<br>Inhalation may result in respiratory irritation.  |  |  |
| Acute health effects                 |   |  |  |
| Skin contact                         | Avoid contact with skin.<br>Harmful in contact with skin.   |  |  |
| Eye contact                          | Avoid contact with eyes.<br>Contact with eyes may result in irritation.   |  |  |
| Inhalation                           | Avoid breathing vapors or mists of this product.<br>Harmful if inhaled.   |  |  |
| Ingestion                            | May be harmful if swallowed.  |  |  |
| Potential health effects             |   |  |  |
| Routes of exposure                   | Potential routes of exposure under normal use conditions are skin and eye contact; and inhalation   |  |  |
| Chronic health effects               | None known.   |  |  |
| Carcinogenicity                      | None of the components present in this formulation at concentrations equal to or greater than 0.1% are listed by EU, MAK, IARC, NTP or OSHA.  |  |  |

# 3. Composition / Information on Ingredients

| Components                      | CAS #    | Percent |
|---------------------------------|----------|---------|
| 2-(2-ethoxyethoxy)ethyl Acetate | 112-15-2 | >25     |
| 2-Butoxyethyl acetate           | 112-07-2 | >40     |
| 2-methoxy-1-methylethylacetate  | 108-65-6 | <10     |
| Cyclohexanone                   | 108-94-1 | <10     |

## 4. First Aid Measures

| First aid procedures |   |
|----------------------|---|
| Eye contact          | In case of eye contact, remove contact lens and rinse immediately with plenty of water, also under the eyelids, for at least 15 minutes.<br>Get medical attention immediately.  |
| Skin contact         | In case of contact, immediately remove contaminated clothing and flush skin with copious amounts of water. Wash clothing separately before reuse. Get medical attention, if needed.                                   |
| Inhalation           | Move person to fresh air immediately.<br>If symptoms persist, get immediate medical attention.  |
| Ingestion            | Rinse mouth out with water. If the material is swallowed, get immediate medical attention or advice Do not induce vomiting. Never give anything by mouth to an unconscious person. Get medical attention immediately. |

## 5. Fire Fighting Measures

| Extinguishing media<br>Suitable extinguishing<br>media                                    | For small (incipient) fires, use media such as foam, sand, dry chemical, or carbon dioxide.<br>For large fires use very large (flooding) quantities of water and/or foam, applied as a mist or spray. |
|---|---|
| Protection of firefighters<br>Protective equipment<br>and precautions for<br>firefighters | Move containers from fire area if you can do it without risk.<br>Avoid runoff into storm sewers and ditches which lead to waterways.  |
| Special protective equipment<br>for fire-fighters   | Firefighters should wear full protective clothing including self contained breathing apparatus.   |

#### 6. Accidental Release Measures

| Personal precautions             | Avoid contact with skin. Avoid inhalation of vapors or mists.<br>Do not touch or walk through spilled material. Ensure adequate ventilation. Remove all sources of ignition.<br>Use personal protective equipment to minimize exposure to skin and eye. In the case of vapor formation use a respirator with an approved filter. |  |  |  |
|----------------------------------|--|--|--|--|
| <b>Environmental precautions</b> | Do not flush into surface water or sanitary sewer system.  |  |  |  |
| Methods for cleaning up          | Absorb with earth, sand or other non-combustible material and transfer to containers for later disposal.   |  |  |  |
| Other information                | Dispose of in compliance with federal, state, and local regulations.   |  |  |  |
| 7. Handling and Storage          |  |  |  |  |
| Handling                         | Avoid contact with skin, eyes and clothing. Avoid breathing vapors or mists of this product.<br>Use with adequate ventilation.<br>Wear personal protective equipment.  |  |  |  |
| Storage                          | Keep containers tightly closed in a dry, cool and well-ventilated place. Keep away from heat, sparks and flame.  |  |  |  |
